

KNIGHTS OF COLUMBUS—Archbishop Murphy Council, #12251
Richard Hassell, Grand Knight

Come join the Knights of Columbus to serve your parish and community.

Your neighbors and friends of St. Cecilia Parish invite you to become a member of the most effective Catholic fraternal organization in the world. The Knights of Columbus program gives every Catholic man the vehicle through which he can increase the service to the Catholic Church and his community.

Membership lets you expand your volunteerism close to home to impact the church, community and school. It presents a forum for rededication and self-improvement through fraternal bonds and Knight's activities.

The Knights membership enables the modern-day Catholic to openly practice his faith with the reinforcement of others in the brotherhood and camaraderie of the Knights.

The sanctity of human life, educational support for seminarians, and support of very needy and worthwhile projects for God's people are just some of the endeavors of the Knights of Columbus.

Are you satisfied with your service to your church? Deep down do you feel you are doing enough for God's community?

Please consider a membership in this special faith community.

For detailed information, contact one of the Knights listed below:

Paul Vitello (Recruitment Chairman)	(360) 779-9756
